

Tech Assurance – Audit at KPMG

It's an exciting era for Tech Assurance – Audit at KPMG, as we position our organization—and professionals like you—for optimal growth, innovation, and impact. We're driven to be the best and offer many advantages to inspire and empower your success, now and for years to come. Our team includes more than 900 professionals nationwide, helping clients in such diverse areas and industries as financial services, technology, healthcare, government, and the public sector. Join us, and you'll gain exposure to the intersection of finance and technology which is so important to businesses today.

Do work that matters more each day

In simplest terms, you'll help clients assess, manage, and remediate IT-related risks. But our purpose is now taking on even greater urgency as companies become ever-more reliant on technology to ensure data integrity. We've anticipated this development and taken steps to accommodate the rapid digital transformation our clients now face. As a member of our diverse team, you'll do innovative, meaningful work today—and develop cross-functional accounting and technology skills that open doors to unlimited potential.
